Local Government Climate Action Program Survey Submission Report

Montrose

Report generated on Monday, July 25, 2022 11:14 PST

Question	Answer
1. Does your local government or Modern Treaty Nation have a climate action plan or strategy?	Yes
1.a. Indicate the date the plan was adopted.	2015
1.b. Include a link to the document (URL) or webpage.	https://www.montrose.ca/municipality/reports/Imagine-Montrose-ICSP-2015-FINAL.PDF
2. For the calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose corporate greenhouse gas (GHG) emissions?	No, corporate GHG emissions are measured, but not made public
3. For calendar year 2021, did your local government or Modern Treaty Nation measure and publicly disclose a community-wide emissions inventory?	Community GHG emissions are measured, but the inventory is not publicly disclosed
4. Is your local government or Modern Treaty Nation tracking progress on its community-wide GHG reduction target?	No

4.e. If no, select all that apply:	"No, as our community emissions are not fully calculated"
5. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Buildings	Commercial Energy Assessment Program - Fortis. Promote the BC Energy Step Code for new buildings and renovations
6. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Transportation	Electric Vehicle Charging Station
7. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Community	Organics Diversion provided by RDKB. Pursue funding opportunities to support opportunities to reduce community GHG emissions.
8. Describe up to four climate initiatives, and their outcomes, your local government or Modern Treaty Nation is currently undertaking for Climate Resilience	Pursue funding opportunities to support opportunities to reduce the community's energy consumption.
9. Which elements of your community's current official community plan (OCP) (or other relevant strategies, policies and/or plans) support the creation of more complete, compact communities?	<p>Improve mobility linkages between Montrose and adjacent communities, especially between those providing services to Montrose residents.</p> <p>Consider opportunities to create routes for bicycles and pedestrians using both roadways and trail networks.</p> <p>Work in partnership to achieve adequate transit service to meet the needs of citizens</p> <p>Managing growth is key to ensuring that existing and future community needs can be met, and community values protected and enhanced where appropriate. Montrose is a small, largely residential community with limited land opportunities to easily accommodate community needs.</p>

10. What actions has your local government or Modern Treaty Nation taken to increase community completeness and compactness since 2020 (e.g. urban containment boundary, increasing density by allowing secondary suites and laneway or carriage housing options)?	Montrose is primarily a low-density residential community with complimentary land uses intended to serve residents. The community's land base is consumed by development or kept in its natural state for reasons related to environmental preservation. Most development opportunities exist in the form of subdivision, infill, or redevelopment
11. What data would be most valuable to your local government or Modern Treaty Nation in decision-making related to the creation of complete, compact communities?	NA
12. From 2021 to now, has your local government or Modern Treaty Nation taken any action(s) to address climate impacts?	Upgrading our HVAC systems at the Village office and Community Hall
13. Has a climate risk and vulnerability assessment (or similar assessment) been undertaken for your local government or Modern Treaty Nation?	No
14. What are the three most significant climate hazards faced by your jurisdiction	"Extreme heat and heat stress", "Extreme cold, snow and ice", "Water shortage", "Wildfire", "Overland flooding", "Wind, rain, and other storm events", "Ecological, cultural and/or human health impacts (examples of cultural impacts include threats to identities, languages, and livelihoods; examples of ecological impacts include biodiversity loss, erosion, invasive species, ecosystem changes)", "Coastal flooding, storm surge events and/or other coastal hazards"
15. Are you responding to this survey on behalf of a Modern Treaty Nation?	No
16. Based on the hazard you indicated as most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Seniors"

17. Based on the hazard you indicated as second most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"Community"
18. Based on the hazard you indicated as third most significant in question 14, as a local government, which groups are most exposed/vulnerable to the impacts of that climate hazard?	"community"
19. Select the top three factors your local government or Modern Treaty Nation needs most to increase the capacity to adapt to climate impacts and build community resilience.	"Increased funding", "More community engagement and activation", "Increased staff knowledge, expertise and data specific to climate adaptation"
20. How does your local government or Modern Treaty Nation ensure equitable access to, and distribution of, climate action opportunities and benefits?	"By designing and implementing climate actions that target the barriers to access and resilience faced by the equity seeking groups/frontline communities most impacted by climate change"
21. Do the climate action plan(s) and priorities of your local government or Modern Treaty Nation align with the climate action plans and priorities of senior levels of government?	"Yes, we assess our plans and priorities for multilevel alignment"
22. Is your local government a signatory to the B.C. Climate Action Charter or a Modern Treaty Nation?	Yes
23. To demonstrate commitment to climate action, climate investments (i.e., matching funding or in-kind contributions) equivalent to 20% of the provincial funding received are required of local governments and Modern Treaty Nations. The intent is to show past, current, and future investments in climate action and create awareness and education.	"Staff time", "Climate or energy studies and/or assessments", "Climate or energy plans, policies and/or strategy development", "Climate resilient infrastructure and/or capital project(s)"

24. Please provide your (or survey primary contact's) first and last name.	Hailey Knott
25. Please indicate your (or survey primary contact's) position with your local government or Modern Treaty Nation.	Administration Clerk
26. Please provide your (or survey primary contact's) business email address.	admin@montrose.ca
27. Please provide your (or survey primary contact's) business phone number.	2503677234
